

Annex 12: Example questions for the evaluation questionnaire about the intervention

Questions on intervention carried out

- Questions with “Do you remember”
These questions help to find out if the person received and remembers one of the behavior change interventions.

(Open!) Do you remember any interventions on handwashing?

- ¹ ☐ Play ² ☐ Poster ³ ☐ Instructions for tippy tap construction
⁴ ☐ Photo of the household chief ⁹⁹ ☐ Others.....

- Observation
These observations help to crosscheck whether the person still has the delivered information (poster, etc.) or has made any improvements based on the instructions or messages it contained.

Interviewer: Observe the location and complete the following questions:

Is there a tippy tap or handwashing station in the household?

- ¹ ☐ Yes ⁰ ☐ No

Is the poster displayed near the kitchen?

- ¹ ☐ Yes ⁰ ☐ No

Is the photo displayed in a prominent place in the courtyard?

- ¹ ☐ Yes ⁰ ☐ No

Question about appreciation and credibility of the behavior change technique

- Questions with “Do you like it?”, “Was it convincing and trustworthy?” etc.
These questions help to find out if the person appreciated the intervention and if they trusted the communication channel.

Did you like the theater play?

- ¹ ☐ Not at all ² ☐ A bit ³ ☐ Quite a lot
⁴ ☐ A lot ⁵ ☐ A great deal

Did you like the instructions for building a tippy tap?

- ¹ ☐ Not at all ² ☐ A bit ³ ☐ Quite a lot
⁴ ☐ A lot ⁵ ☐ A great deal

Was the theater play convincing?

- ¹ ☐ Not at all ² ☐ A bit ³ ☐ Quite a lot
⁴ ☐ A lot ⁵ ☐ A great deal

Was the information source trustworthy?

- ¹ ☐ Not at all ² ☐ A bit ³ ☐ Quite a lot
⁴ ☐ A lot ⁵ ☐ A great deal

Comment:

- Here, you are free to add any questions that are relevant to the project or which you will need for your monitoring.
- The number of questions depends on the number of different interventions you did.
