# Experiences with Managing Consortia: Aligning Organizations; Improving Impact

Karen LeBan and Lynette Friedman

# Overall Training Objectives

- Identify the various factors that need to be addressed to ensure alignment across partner organizations in a consortium.
- Strategize methods for developing a more effective partnership across a consortium to result in increased program impact.

# Case Study Questions:

1. What are the current **problems**?
2. If you could go back in time, what could have been done differently in design or management to **prevent** these problems?
3. Given the current status at midterm, what could be done **now** to improve the situation?
