## FSN NETWORK

FSN Network Metric	LOA	Y2 Q1
Number of organizations to request submissions	25	11
Number of times resources accessed	92,615	18,205
Number of resources uploaded	112	23

## SMALL GRANTS PROGRAM

Number of RFAs released	2
Number of RFAs in development	1
Number of applications received	285
Micro grant applications	197
PIA applications	88
Number of countries proposed for implementation – see map below	60

## NEPAL RESILIENCE LEARNING EVENT

93 attendees, 2 DFSAs, 34 organizations

Respondents who state objectives\* were met:

\*Share learnings from PAHAL and Sabal, explore implications of learning and evidence, and identify recommendations to strengthen resilience programming

## West Africa DFSA Refine & Implement Culmination Workshop

90 attendees, 4 DFSAs, 17 organizations  
45 IP staff, 16 RISE II staff, 27 USAID staff, 2 others

Respondents who state objective was met:

- Review learnings from formative research, pilot studies, community consultations, government engagement, and other key Year 1 efforts
- Refine activity design and implementation approach based on learnings
- Identify remaining knowledge gaps and develop plans for continued learning
- Address outstanding PREP questions

Yes Partially No

## UPCOMING EVENTS AND ACTIVITIES

- Jan. 21-24:** Gender, Youth & Social Dynamics Consultation – Malawi
