

Reflecting on Five Years of Food Security and Nutrition Programming in Bangladesh

Session Purpose

- Share and discuss successes, challenges and lessons learned from five years of implementation of 3 Title II-funded multi-year assistance programs (MYAPs) in Bangladesh
 - SHOUHARDO II (CARE)
 - PROSHAR (ACDI/VOCA)
 - Nobo Jibon (Save the Children)

Session Structure

- Panel presentation
- Small group discussion
- Questions and answers

Small Group Discussion

In groups of 3:

- Take 5 minutes to share one to two **successes**, **challenges** or **lessons learned** from your own experiences implementing food security and nutrition programs.
- Make sure each person gets a chance to speak!
- We will hear from one group in plenary.
- Afterwards, Q and A

Questions and Answers

- Ground Rules
 - Please ask ONE question per person (not 2, not 3)
 - Please state your question as concisely as possible
 - Thank you!
